Hi Everyone-

Unfortunately, I have a prior conference call obligation for this time slot. I am not going to be able to make the phone call. I believe the NPS will be represented by Don Shepherd and John Notar. I have also asked Chad Sexton, Theodore Roosevelt National Park Management Assistant, to attend. He is currently dealing with the park fires, so there is a chance he may not be able to sit in on the call.

I appreciate being included in the process and look forward to working with you to protect park resources.

Thanks, Wendy
